vetscan IMAGYST® DIGITAL CYTOLOGY

USER GUIDE

Efficient, expert cytology review

Vetscan Imagyst® accelerates the process for expert clinical pathology review - simply prepare and scan slides and then submit for expert results

- Prepare a cytology slide using industry best practices
- Place a drop of immersion oil on the sample and then place a 24 x 60 mm coverslip on the slide
- Include a label or handwritten note on the slide
- Keep the slides together and well organised

- Log in to VETSCAN IMAGYST
- Choose the correct sample and select START. Sample information will come prepopulated from any Fuse- or Hub-connected software system
- If no integration is available, select Add New Test (+)
- Enter all required information and then select CREATE

COMPLETE PATIENT HISTORY

- Enter the patient's breed, age and gender
- The patient's species is already set
- Include a brief clinical history
- Select the required service: Standard or Urgent Review

- Select ADD FLUID or ADD LESION
- Enter the required information
- Select CREATE
- You may create up to 2 different sample sites
- Select a sample card to open and edit a sample site
- To remove a sample site, open sample site card and select **DELETE** (I)

- Select ADD A SCAN or SCANS to open the scan window
- Select an available scanner
- Select OPEN TRAY and place cytology slide on the tray, locking it in place

- Select **PREVIEW** and review the suggested scan area
- Accept the suggested scan area or create a custom scan area to reduce the scan time. Select CONTINUE when you are satisfied with the scan area
- You may scan 2 slides per sample site
- Select **DELETE (X)** to remove a scan

- To assist the pathologist with their diagnosis, attach any history documents (.pdf) or photos (.jpeg)
- Verify the cytology service displayed above SUBMIT ORDER button is correct
- Select SUBMIT ORDER

- When a test is ready to be reviewed, select **READY FOR REVIEW**
- Find the desired test and select REVIEW
- Review the findings
- The test will move to TEST HISTORY

INCOMPLETE TESTS

- An incomplete or unsubmitted test will display with an Incomplete Test Order status in the Inbox
- Select **OPEN** to complete all required fields
- Review steps 3-7
