VETERINARY IMAGING SPECIALISTS

Now offering

Teleradiology

Powered by VitalRADS®

The Zoetis Virtual Laboratory is now offering comprehensive teleradiology services 24/7/365, powered by VitalRADS.

Rapid response. Reliable results.

Whether it's routine reads or complex cases, our board-certified specialists are here to provide expert review and interpretation of your patients' diagnostic images across all modalities and species. Zoetis has partnered with VitalRADS to deliver the extra support you and your patients need when it matters most.

Board–certified specialists available to provide expert interpretation in:

- Radiology (DACVR)
- Cardiology (DACVIM)
- Equine & Large Animals
- Dentistry (DAVDC)
- Neurology (DACVIM)
- Avian & Exotics

Supporting the following modalities:

- Radiography
- Ultrasonography (including echocardiogram)
- Computed Tomography (CT)
- Magnetic Resonance Imaging (MRI)
- Nuclear Medicine
- Electrocardiography (ECG)
